Local Scholarship Management System

Optimized Project Plan & Modern Design Strategy
A Sleek, User-Centric Approach

Mission & Objectives

Empowering Future Leaders

The Ola Arowolo Scholarship is designed to break the cycle of poverty by providing financial and mentorship support to high-potential local students.

Strategic Goals

- **Access:** Deploy a user-friendly public portal.
- **Efficiency:** Automate application processing and JAMB tracking.
- **Impact:** Performance-based funding to ensure academic excellence.

Development Roadmap

01

Sprint 1-2

Setup & Auth

Public Landing Page (MVP), Laravel Setup, Role-Based Access Control.

02

Sprint 3-5

Core Logic

Applicant Portal, Document Uploads, Admin Review Panel, JAMB Scoring.

03

Sprint 6-8

Funding

Admission Processing, Performance-Based Disbursement Logic.

04

Sprint 9-10

Scale

Community Module, Advanced Analytics, Final Security Audit.

The Public Portal

—

Modern, Sleek, Accessible

A redesigned landing page focusing on clarity and impact. The interface uses a strict monochrome palette with high-contrast typography to convey professionalism and trust.

Key Features:

- Responsive Blade Templates
- Clear Call-to-Action (CTA)
- Integrated Testimonial Section
- Seamless Applicant Login

System Architecture

Secure Authentication

Role-Based Access Control (RBAC) separating Admins, Reviewers, Applicants, and Beneficiaries using Laravel Breeze.

Smart Funding

Automated logic for disbursement capping (₦100k) and performance tracking (CGPA) to determine funding continuity.

Community Hub

A dedicated private space for beneficiaries to network, share academic resources, and receive mentorship.
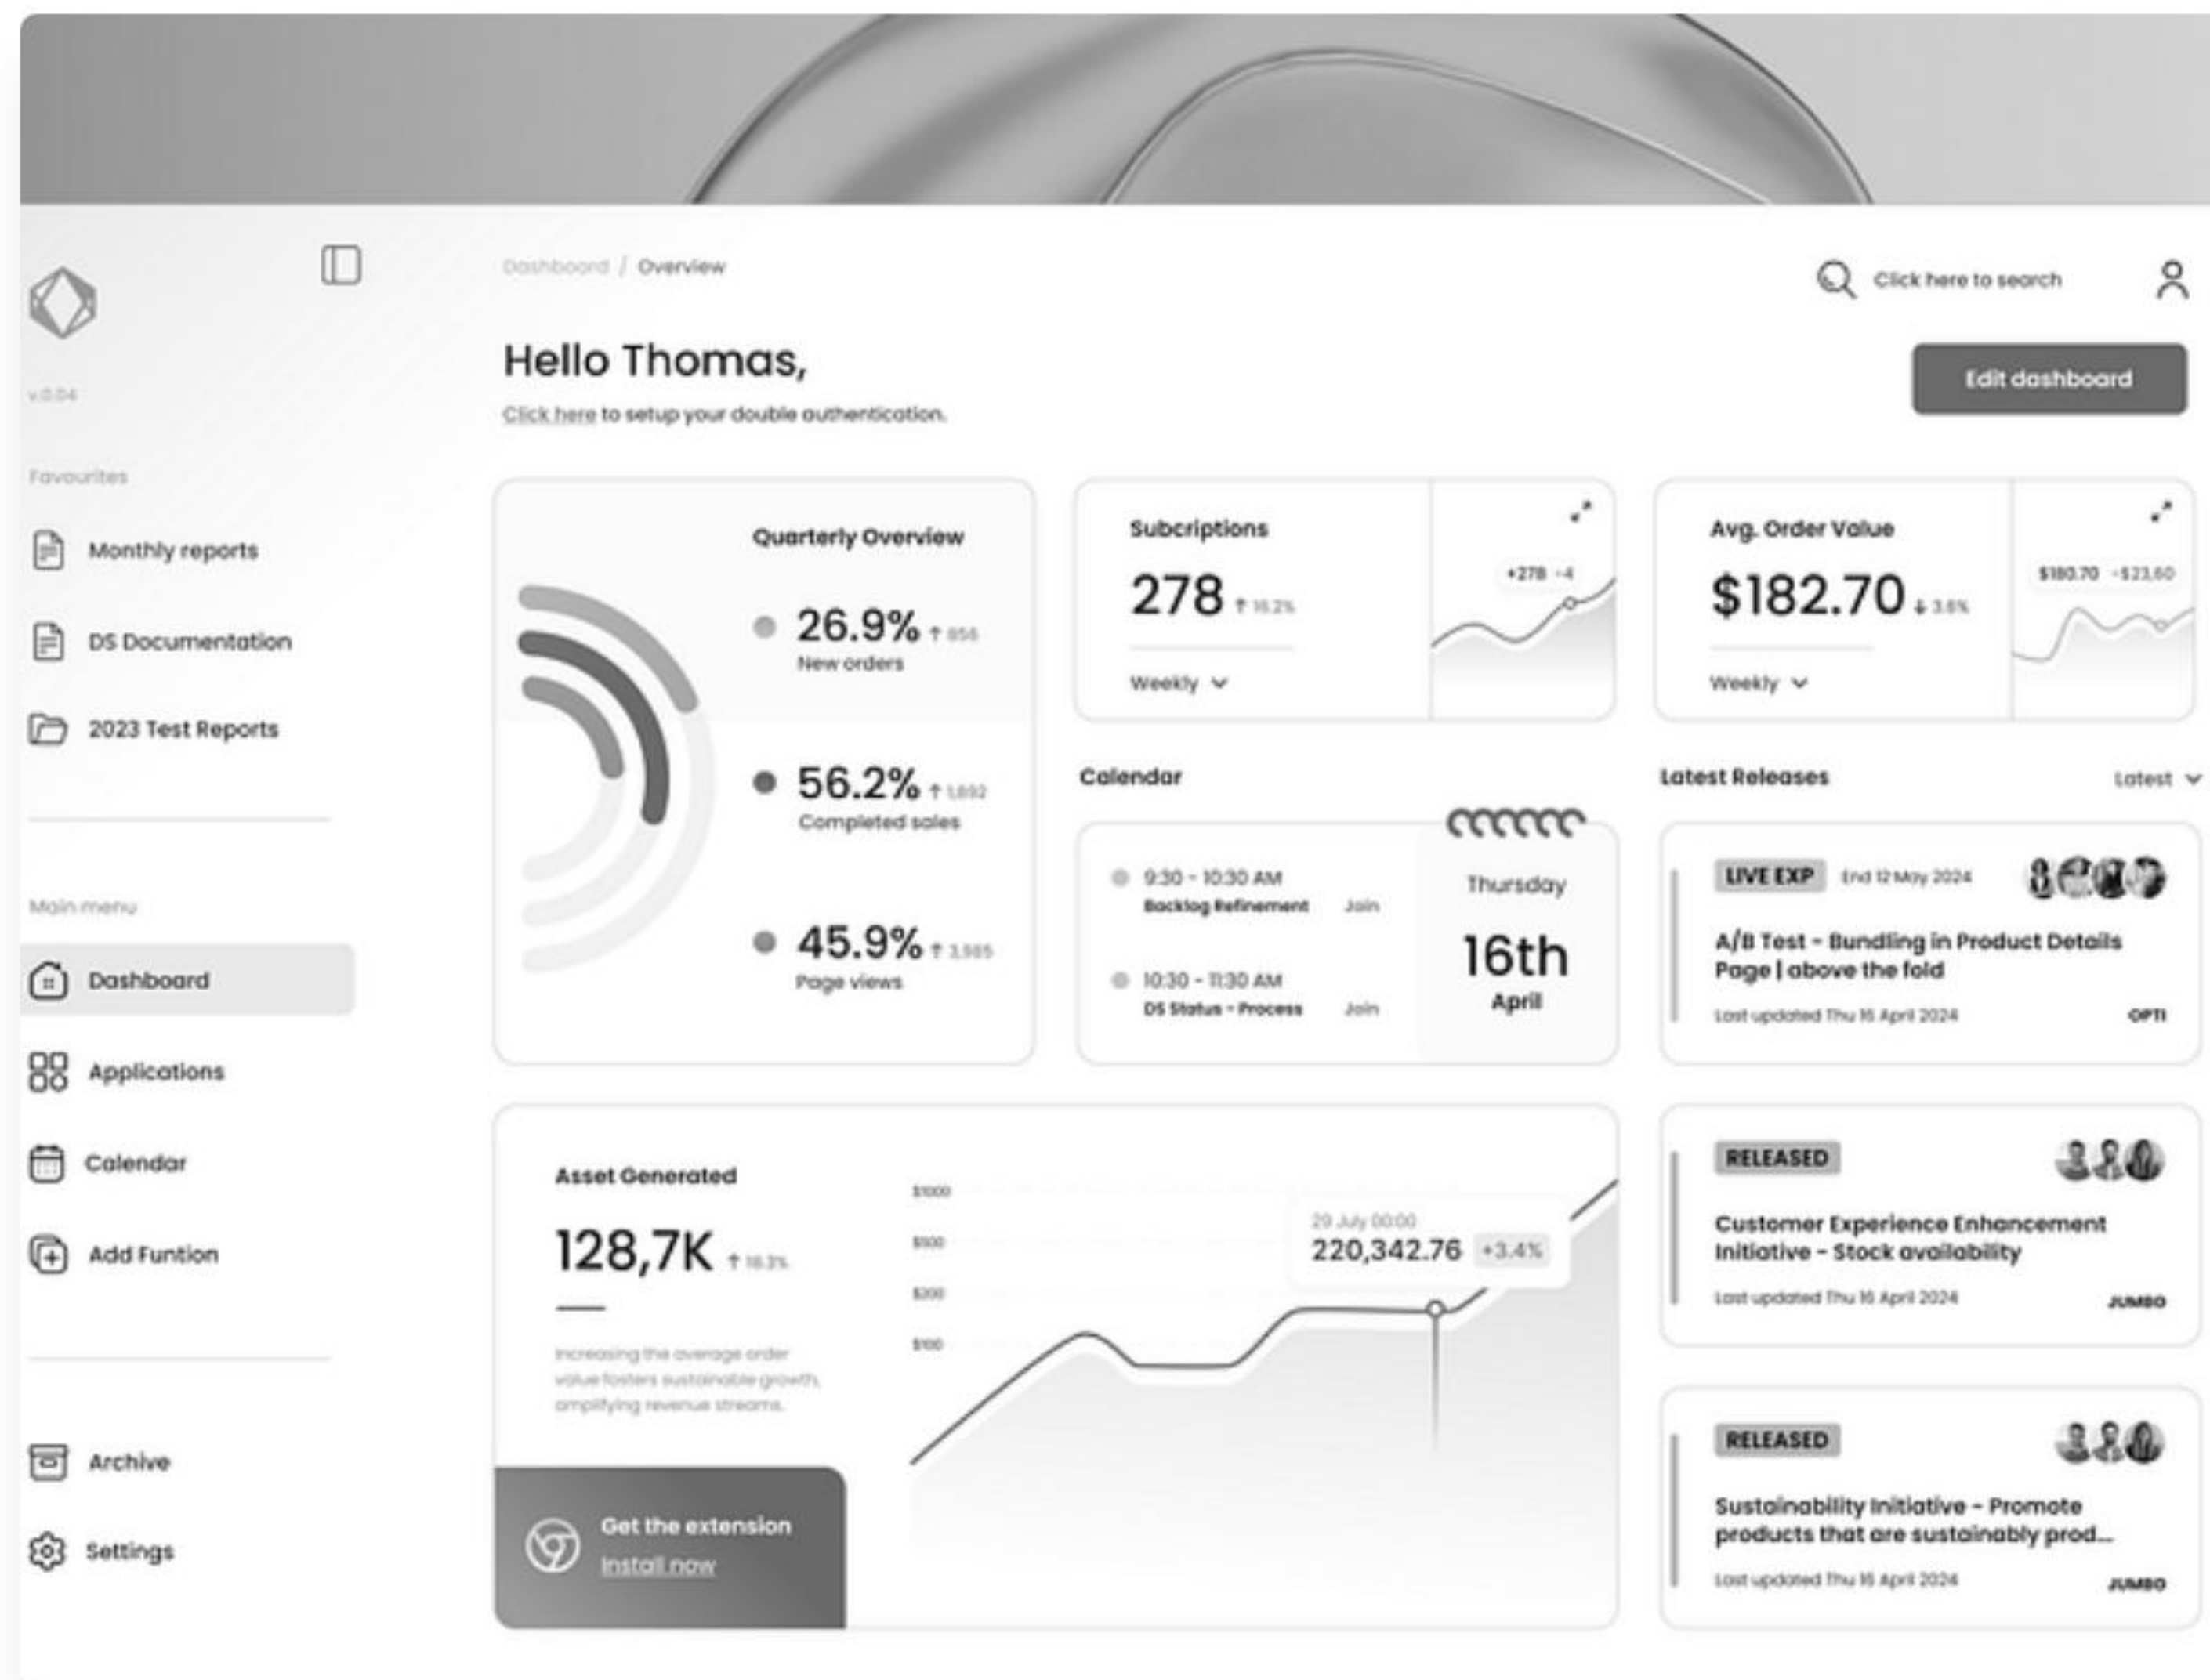

Applicant Dashboard

User-Centric Design

The dashboard is designed for simplicity. Applicants can track their status in real-time, from "Submitted" to "Under Review" to "Approved".

Functional Elements

- Real-time Status Progress Bar
- Document Upload Center (PDF/Images)
- Direct Support Messaging
- Mobile-Responsive Layout
